Get Ready to Grow is a new programme for groups working to improve, protect and re-connect with their environment in Co. Antrim and Co. Down. Our programme is a mixture of inspirational mentoring and practical help.

The bespoke support will be offered to 6 selected groups and may include a mixture of technical support and activities based on an initial need assessment. The programme will fund bespoke support up to the value of £2,000 for each selected group.

The type of support can be categorised under the following headings:

- **INSPIRING** the group will benefit from learning from similar projects
- **STRENGTHENING** the group will benefit from strengthening current structures that will increase effectiveness
- **ENTERPRISING** the group will benefit from feasibility planning that will increase sustainability

If you are interested, please complete this form and send it back to Co-operative Alternatives by **15th November 2019**. For more information contact tiziana@coopalternatives.coop.
